

Inside Sales Pro Needed For Immediate Hire

We are looking for a full-time inside sales pro to join our team! In this role you'll be working directly with our sales team to generate new leads, follow up on the leads coming into our office to schedule appointments, field questions, follow up on inquiries, send out information packages and assist in maintaining the integrity of the company's database.

This position offers a solid base salary plus bonus and commission. As a full-time employee, you will qualify for health insurance and cell-phone reimbursement. We are NOT a sweatshop, but a small tight-knit group interested in sharing the growth with our team members! You MUST be based in central New Jersey and a US citizen (sorry, no exceptions). This is an awesome opportunity for someone who:

- Wants a company that truly CARES about its customers and employees.
- Loves a faster-paced, NO DRAMA workplace where office politics, gossip and negativity aren't tolerated.
- Is extremely detail-oriented and appreciates people who take an organized, systematic approach to achieving success.
- Likes to work in a small company where your input, contributions and ideas will directly impact the company's growth and success.
- Is a quick, self-motivated learner who wants to work for a company that will invest in your education and training.
- Enjoys having conversations with (and helping) small business owners.
- Loves building relationships with people and providing a true "Wow" experience.
- Wants a position that will offer upward earning and career advancement.

Please apply ONLY if you have at least one year's experience in an inside sales position, preferably setting appointments in a business-to-business environment. You must have a proven track record for success. To apply, please send your résumé, along with a cover letter detailing why you think you'd be a great fit to join our team, to jobs@redeye.tech.
